S.S.S. CURES CHRONIC ULCERS

Whenever a sore or ulcer refuses to heal it is because the blood is infected with poisonous germs or some old blood taint which corrupts and pollutes the circulation. Nothing is more trying than a non-healing, chronic old ulcer. The very fact that it resists all external applications, and ordinary treatments, is good reason for alarm, for the same germ which produces cancerous ulcers is back of every old sore, and especially is this true if the trouble be from any inherited taint. Surface treatment cannot reach the trouble—the blood is at fault and must be purified before a cure can be hoped for. In S. S. S. will be found a remedy for sores and ulcers of every kind. It is a perfect blood purifier—one that goes directly into the circulation and promptly cleanses it of all impurities, poisons and taints. The ulcer can never heal while the blood discharges into it the noxious matter with which it is infected, but when S. S. S. has rid the blood of this cause and freshened and built up the circulation the sore will heal naturally, and of its own accord. S. S. S. begins at the bottom and heals the place an it should be healed and makes a permanent and lasting cure. Book on Sores and Ulcers and any special medical advice desired will be sent free to all who write.
